setting a number of parts by which an image is divided and di

Search

Customize

1 - 10 of about 51 for
setting a number of

parts by which an image is divided and dividing the image until the image is divided into a plurality
of image parts that satisfy the dividing number and generating compressed code data by
compressing the image parts and a dividing number corresponds to a transmission line capacity
and quality level and color component ([About this page](#)) · 0.02 sec. | SearchScan On

1.

System and method for panoramic imaging - Patent 7123777

... for **generating and** interactively viewing spherical **image data and** memory ... source **image to**
the texture map memory buffer, for producing **a plurality of ...**
www.freepatentsonline.com/7123777.html - 156k - [Cached](#)

2.

cs.cmu.edu/afs/cs.cmu.edu/user/jslttery/theo-7/sans-nothing/model/...

... cs interactive software systems introduction the purpose of this course is to ... important
paradigms algorithm including sweep **line** plane methods randomized ...
cs.cmu.edu/afs/.../user/jslttery/theo-7/sans-nothing/model/vocabulary - 533k - [Cached](#)

3.

Method and apparatus for **compressing a video image** - Patent 7006698

... **data** from a **compressed video data** stream to reduce its **transmission bandwidth ... image**
data is sent to logic module 59 b which then increments the non-code ...
www.freepatentsonline.com/7006698.html - 332k - [Cached](#)

4.

Television Or Motion Video Signal - Predictive inventions

... a device and a method for **compressing**/encoding a frame imaged by a ... for acquiring **the code** amounts of the first **compressed image data** near the start ...

www.freshpatents.com/x1375240120psbc.php - 172k - [Cached](#)

5.

Data Processing: Database And File Management Or Data Structures - File ...

... **a plurality of** floating buffers; calculating **a number of data** blocks ... processes includes **generating** a first process **that corresponds to an** activity, ...

www.freshpatents.com/x1707200000psbc.php - 229k - [Cached](#)

6.

Image compression method to reduce pixel and texture memory ...

The process of **generating** each frame of **image data** includes **a number of** steps. ... The gsprite **is divided into chunks by dividing the** rectangular **image** region into ...
